GROUNDWATER PRODUCTION REPORT FORM

Reports are due within 10 days following the end of the preceding month.

Reporting Month/Year:_____

Entity Name:_____

Well Id/Name	Beginning Meter Reading	End Meter Reading	Total Pumpage (Gallons)

Total Gallons

Notice: It is important to include all zeros including any "fixed zeros" to the right of movable numbers and include any multipliers for those meters not reading in gallons.

FEE CALCULATION

Total Pumpage X $0.00012276: _____ Production Fee Due

Late Fee (Multiply amount due by 20%): _____ Late Fee Due
(*Late fees are 20% of total, accrued monthly. Production fee payments must be postmarked by the 25th of the month to avoid a late fee.)

Total Fee Amount Submitted: _____

I hereby swear or certify that the information in this report is true and accurate to the best of my knowledge and belief and agree to abide by the District's Rules.
